Our Champagne and Cheese tasting event gives guests the opportunity to not only sample a selection of premium sparkling wine and cheeses, but also relax and unwind in the company of colleagues or clients.

Designed with networking and socialising in mind, our events are highly engaging whether delivered virtually, hybrid or socially distanced. The interactive nature of the event makes it easy for guests to participate and enjoy the experience from the comfort of their own homes.

Just like traditional in-person tasting experiences, our event includes a selection of carefully chosen wine, including Champagne, Cava and a sparkling English wine. These are paired with delicious cheeses for a fantastic tasting experience.
