

# Champagne Tasting

A guided tasting comparing Champagne, Cava and a sparkling English wine.

An entertaining and educational way to engage with clients and colleagues, our Champagne Tasting Events are special occasions not to be missed.

Designed around your business and its objectives, it's an ideal opportunity for networking, celebrating or informally socialising. We can suit the event to any format, whether that's virtual, hybrid or socially distanced so guests can enjoy with a glass in hand from anywhere in the country.

Just like traditional in-person tasting experiences, our event includes a selection of carefully chosen bottles, including a Champagne, a Cava and a sparkling English wine.

As part of our premium event offering, guests will receive their wine in a branded MemMail box delivered directly to their door. Keep reading to find out more.
