

Culinary Experience

Cook-along with a Celebrity Chef

We put your guests in the company of an award-winning chef to create a magical dish with expert instruction every step of the way. Choose from a range of menus and we will ensure your guests have an incredible experience on the day.

Your guests will receive a branded event pack with everything they need to take part. This includes event instructions, the menu, the dry ingredients, a gift card and shopping list for perishable ingredients and optional wine pairing, plus any other branded gift items you wish to include.

Your Culinary Experience can be delivered online – with each guest joining from their location of choice – or in a custom-built development kitchen with safe social distancing procedures in place throughout.

We can even combine the two in a Hybrid event that brings online and live guests together – the perfect solution for larger or geographically disperse audiences.
